Allowable subject matter

Claims 1-6 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art neither discloses nor suggests the following operations carried out by the web page system in combination with the remaining elements as disclosed in claims 1, 2, 5:

- making display control information for a content administration screen containing an icon image leading to the content of the web page based on the acquired icon image and content path based on the folder path information acquired in the step of acquiring folder path information of a folder and the title of the content acquired from the folder; and transmitting the display control information to the terminal device via the Internet, wherein the icon image leads to the content based on the acquired folder path information and wherein manually adding folder path information is avoided.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
